Your pets' health  
is important to us!

## OUR MISSION SINCE 1999

To offer superior quality natural products that give visible results in less than 10 days for the well-being of your 4-legged friends.

Over the years, we have developed specific product lines adapted to their needs, always with the aim of satisfying the growing needs of «adoptive parents» concerned about the health, well-being and beauty of their pet.

**IMPORTANT :** *Zanimo inc. shall not be held liable for any abnormal use or any consequences due to negligence for not following the recommendations for use specified on the product packaging. It is your responsibility to check with your veterinarian whether or not the product is suitable for your pet.*

*The information contained in these pages is not intended to replace the medical opinion of a veterinarian. **Zanimo** formally assumes no medical liability whatsoever for the diagnosis, treatment or choice of medication used for your pet.*
